INNOVATION VILLAGE

25-27
OCTOBER
2016

Grenoble, France

INNOVATION VILLAGE

For the third time at SEMICON Europa, INNOVATION VILLAGE will bring early-stage technology companies, the semiconductor industry's top strategic investors, and leading technology partners together.

INNOVATION VILLAGE WILL OFFER A 3-IN-1 EVENT:

- A start-up pitch session
- A dedicated market & technology session
- An innovative partner program with demos

WHAT IS INNOVATION VILLAGE?

- Up to 50 start-up kiosks
- Up to 5 Partner booths
- 600m² dedicated to networking
- Innovation Arena

WHO WILL EXHIBIT?

- Up to 50 of the most promising European start-ups in the domain of micro-electronics and electronic applications

- Innovation Partners: investors, financial analysts, service providers, specialized consultants, venture capitalists, capital risks, business angels, and more

WHO WILL VISIT?

- Entrepreneurs engaged in electronic innovation
- Investment professionals, business angels, venture capitalists, and corporate and institutional ventures
- R&D, CTO and chief innovation officers, purchasing and supply chain managers, manufacturing senior executives from the electronic industry, and new technology scouts
- Innovation industry representatives

BENEFITS OF EXHIBITING

START-UPS

- Direct contact with investment professionals
- Increased international visibility
- Opportunity to showcase your start-up's new technology to industry specialists
- Complimentary video recording of your start-up's pitch
- Free B2B meeting platform

INNOVATION PARTNERS

- Exclusive contact with start-ups
- Private meeting spaces
- Unique investment and business opportunities
- Free B2B meeting platform

HOW TO PARTICIPATE IN THE START-UP EXHIBITION

FIRST REGISTERED, FIRST SERVED!

- Start-ups will be selected based on an application process
- To apply, a start-up must fill out a Request for Participation (RFP) form and send it to SEMI Europe (semiconeuropa@semi.org)
- The RFP form is available online at www.semiconeuropa.org
- The SIF Committee will be responsible for reviewing the RFP forms and choosing the qualified start-ups
- Start-ups will be notified of the results of their application from 15 June 2016

SEMICON EUROPA FLOORPLAN
